		8-12	.626 .750	14.3 19.0	1/4 x 1
		8-14	.751 .875	19.0 22.2	1/4 x 1 1/8
		8-16	.876 1.000	22.2 25.4	1/4 x 1 1/4

PAINTED RIVETS

A range of painted No. 4 Rivets are held in stock in standard roofing and wall cladding colours: Off White, Light Brown, Beige, Weathered Copper, Mist Green, Autumn Red, Bronze Olive and Gold. Rivets can also be colour matched to your application. Minimum order quantities apply.

GENERAL PURPOSE BLIND RIVETS

BENEFITS LOW COST

Substantial savings in installed costs can be realized when Rivets are substituted for spotwelds, screws or bolts.

FAST INSTALLATION

Quick and easy to use with hand or power riveters, Rivets have endless fastening applications in manufacturing, maintenance and repair.

VERSATILITY

Available in many different types, sizes, materials and colours.
