

ULLRICH - ALUMINIUM FENCES AND GATES

QUALITY • SERVICE • INTEGRITY

ULLRICH FENCES AND GATES

Ullrich fences and gates are manufactured from sturdy aluminium alloy materials with baked enamel finishes for:

- low maintenance
- weather resistance
- long life
- added security
- good appearance
- increased property value
- lightweight ease of use
- robust construction

Ullrich fences and gates are designed to suit your individual requirements for:

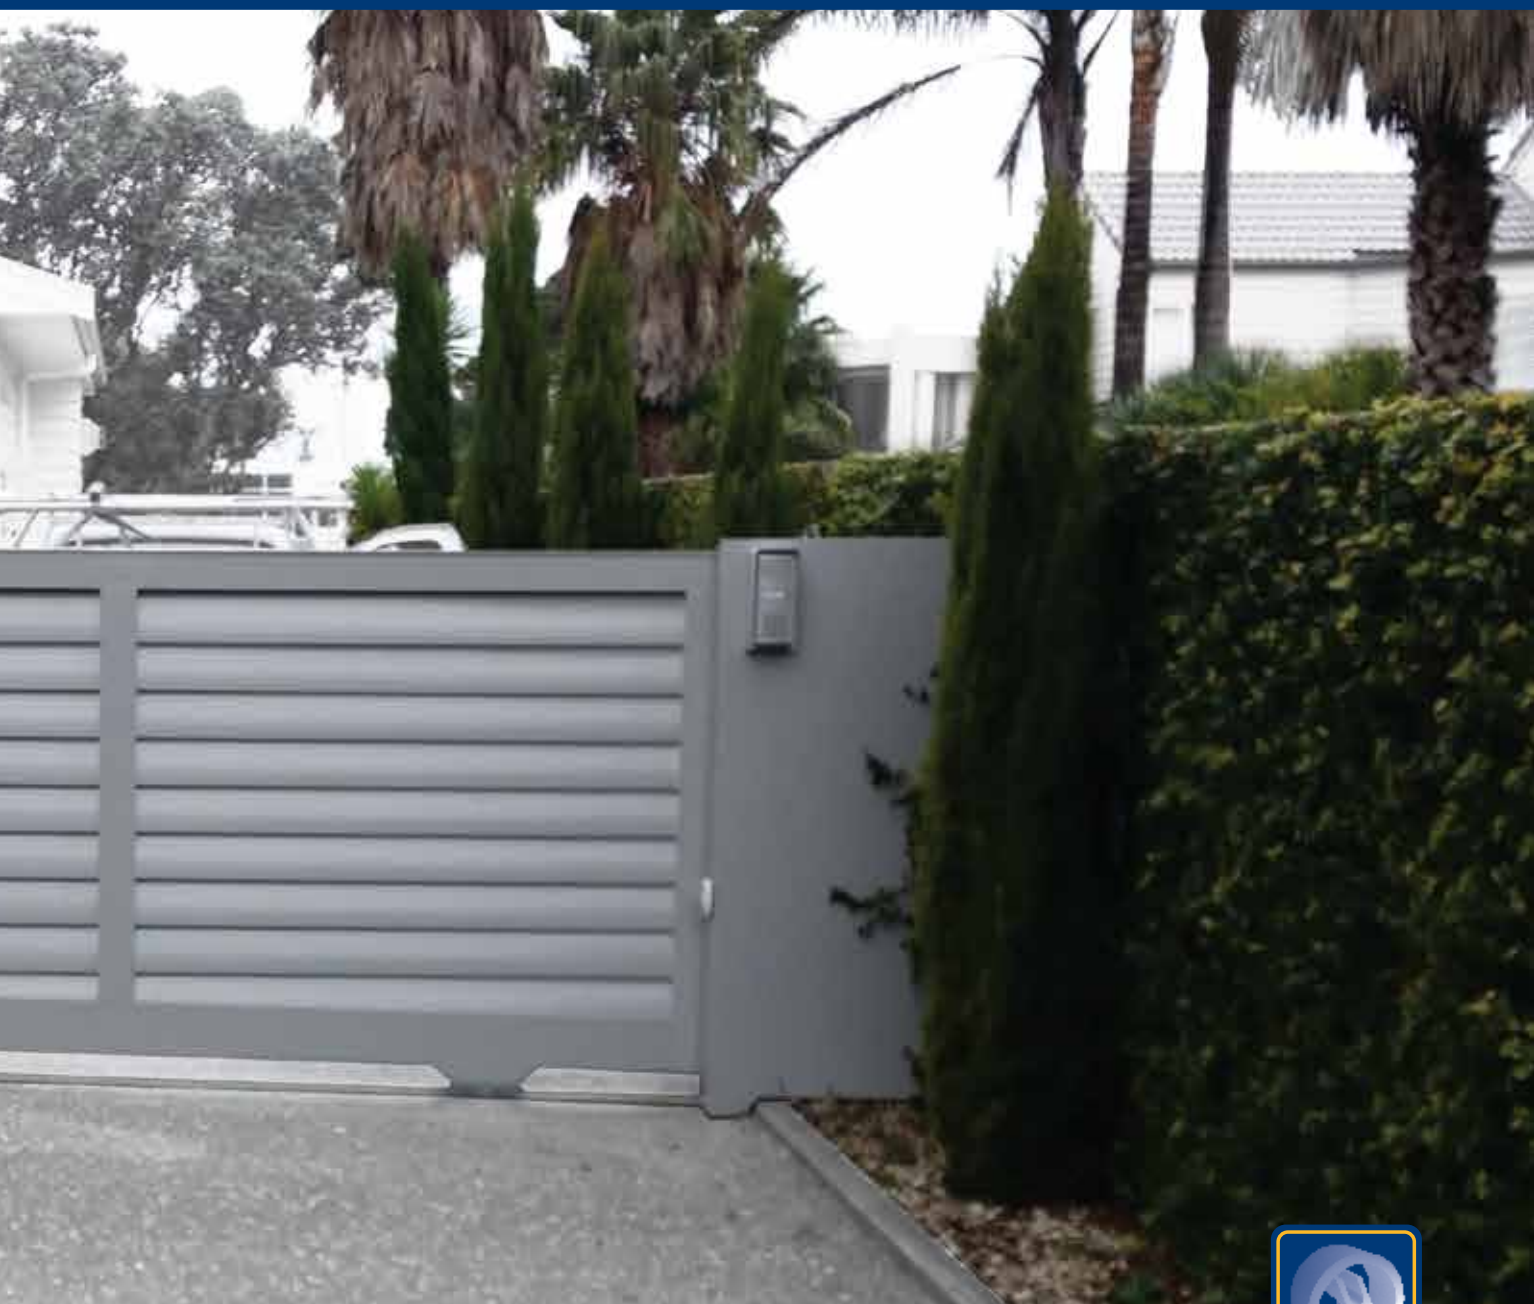

- infill fencing
- swimming pool enclosures
- boundary fencing
- private entrances
- commercial carparking
- children's playgrounds
- sacred ground declarations

Baked enamel finishes are available in a wide range of colours

**Designed to protect,
built to last!**

DECORATIVE SPEARHEADS

A range of decorative cappings for fences and gates is available on request and can be made to order to suit your design requirements.
